**Project: Porsche showroom**

**Subject: Appreciation Certificate**

This is to certify and confirm that M/s. Mega Zero Kelvin for Trading and Contracting, have carried out all MEP work for our project "Porsche showroom" located at The Pearl, Qatar from May 2017 to September 2017. The project was delivered in time and according to all our requirements and specifications. Even after the successful hand over of the project we continue to receive support and undivided attention.

Moreover, we found that we were dealing with a team of qualified and dedicated engineers that enabled us to bring our project to a successful completion with a high quality of workmanship according to the laid out time schedule whilst deploying all the safety standards.

We wish the team and the management of Mega Zero Kelvin the success for their future projects that they truly deserve.

Best regards,

**Ahed Dawood**  
Brand Manager
